

'ARMY GIRLS'

On Armistice Sunday 14th November at 3pm there will be a show at the Lighthouse theatre in Poole. **Titled 'Army Girls an Audience with WWII Gunner Girl Grace Taylor & Author Tessa Dunlop'**

Commemorating the 80th Anniversary of WWII Conscriptation for Women Tessa Dunlop, broadcaster and author of *Army Girls*, is joined by original 'Gunner Girl' Grace Taylor. Performing living history live on stage, together Tessa and Grace will tell the extraordinary story of Britain's wartime female army and bring to life a pivotal moment in our island's history.

Grace Taylor is the President of Poole Branch of the Royal Artillery Association.

It would be fantastic if we could show our support for this truly amazing lady.

Please follow the link below to the details and booking process
