

Dear Member,

We have planned an open weekend for the August Bank Holiday.

Friday 28th August starting at 8.30pm we have a disco/games & quiz night.

So, for something completely different come along and join the fun Saturday 29th August at 4pm we have live entertainment with singer Steve Whale and at 8pm our very special George Michael tribute, not to be missed.

Sunday 30th we have Card Bingo starting 2pm. At 4pm live entertainment is provided by Jean Claude. Later in the evening, starting at 8pm, we have Lees' very popular music, TV & film quiz which is themed Decades. Lots of trivia from the 60's to current date. Teams of 6, in your own social bubble, and to enter £1 per person.

As a one off special, for the whole day on Sunday the club will be open to teenagers accompanied by their parents, they must be 13 or over and behave responsibly. They will be admitted at the discretion of the bar staff and committee.

Promotion wise all drinks will be £2 for the duration of Saturday, Sunday and Monday (there will be a few exceptions, check at the bar). Any member that brings a guest and the guest joins on the Saturday or Sunday will receive a free bottle of wine and the new member will receive a pack of Ringwood beer.

As we have not completed our task of finding a new chef, but we are close, we will be providing a fast food van for you to purchase food the van will be available Saturday and Sunday.

Tuesday 1st September at 8.30pm our Sports quiz will re-start with Sarah as your host. Get your team of 4 together and thinking caps on.

Going forward we will be trying to give our members great value for money, with some great offers. These offers will change frequently and you may not get an email update, as we don't want to bombard you with more info, so please pop into the club, have a quick drink and see what's going on.

The new football season kicks off on 12th September, we have sky sports and will be showing all the action from the Premiership and Championship, along side, the major Golf Tournaments, cricket and F1. We are the only pub/club with the full Sky sports package in the Broadstone area.

Unfortunately, due to council stipulations, Chase the Ace is currently suspended and will be until further notice Please come along and support your club.

Regards

Steve Gray
