

Dear member,

After our most recent committee meeting, we have decided that from Saturday 25th July the club will revert to our normal opening hours.

From this date the gaming machines within the club will also be open, sanitising will be provided at this point. The pool table will be moved back to the main bar area.

From Friday 31st July we will welcome back Chase the Ace, and on Sunday 2nd August Card Bingo will resume.

A most important announcement is that on Saturday 1st August we will have live entertainment in the club, starting at 8.30pm and a drink promotion of £2.00 per drink (no doubles other than house doubles).

At this current time we have no date for the return of the quiz, but we are sure this won't be long.

We are currently in negotiations with a chef for our restaurant and are hoping to be open by the August bank holiday, where we can all enjoy some quality food at a competitive price.

Meet & greet we hope will resume, very shortly.

As usual we are constantly monitoring this situation and things can change rapidly, we appreciate that not all our members can visit at this point, but we look forward to the time when they can.

If you know of another member, maybe a friend or family, that have changed their email address recently, can you please ask them to let the club know.

Kind regards

Steve Gray - Club Secretary.
