

23 September 2020

Dear member,

### **Covid19 Information**

Following on from the Governments most recent announcement, the club has revised its drinks serving policy. From Thursday 24th September 2020 we have implemented the following:

- If you feel un well, then please do not use the club until you are well
- You must wear a mask at all times in the club, other than when you are sat down drinking. If you visit the toilet you must wear a mask.
- Please use the hand sanitiser provided.
- There will be no standing anywhere in the club, and we ask you to restrict your movements as much as possible.
- Tables are spaced out for social awareness, and are not to be moved.
- No more than 6 people can sit around any 1 table.
- All drinks will be table service only.
- As we only have 1 credit/debit card machine, can we ask as many people as possible pay by cash or run a tab. Information about this can be obtained from our staff.

We will have new members of staff joining us and our committee will volunteer to help out, can I ask all of you to be patient during these difficult times.

### **General Information**

Club membership renewal is rapidly approaching, and everyone should renew at the end of this month. You will have until the end of October to renew your club membership, at which point it will become lapsed. We currently have a slight delay on the arrival of the new cards, but I am assured they will be with us the first week in October. Another reminder will be sent out in October.

Recently the disabled bays are being used by people that don't really need to be using them. These bays are for people that have severe mobility issues. If you DO NOT have a blue badge you should never use these bays. If you are disabled and have a blue badge, and can walk unaided from the front door to the bar, please leave these bays for someone that might be more needy than you.

Currently Chase the Ace is still suspended, but the committee are hopeful it can return soon.

We still have Sky sports showing all the Premier League matches and a variety of other sports.

Please support your Club as much as you can.

Please everyone, stay safe, stay well.

Regards

Steve  
Club Secretary
